Ukrainian Roots.....Alberta Pride

I would like to share some thoughts Хочу з вами поділитись думками

Celebrating the Resurrection of Christ, we look forward to uplifted spirits!

As we celebrate or prepare ourselves for the season of hope; the season of Joy, Christ's Resurrection, and God's visible "newness of life", may our spirits be unified as the earth around us also awakens. As we respond to the life giving zeal of the Resurrection, may we renew our commitment to living each day as He has called us to do.

At UCC APC we are also renewing our commitment to our Ukrainian community and the work that so many volunteers undertake daily so that our community remains active and strong. Having spent the past several months renewing UCC relationships and making new ones, I see in each of our member organizations and volunteers a renewed commitment and passion for the Alberta Ukrainian Canadian community. Their value of community, Ukrainian language, culture and identity is demonstrated through the many commendable projects

and activities our organizations and volunteers undertake as part of their community life. Several priority items have been identified and through a collaborative approach the UCC APC and its member organizations will meet these priorities. I invite you to take note of this spring bulletin and the announcements and projects contained herein.

At this time, on behalf of our board of directors and member organizations of the UCC APC we extend our warmest wishes for a "spirited" spring and a Blessed Easter!

Від імені Ради Директорів і складових організацій КУК в Альберті, ми бажаємо Вам благословених Великодніх свят і смачної паски!

ХРИСТОС ВОСКРЕС
