## THOUSANDS ENJOY WONDERFUL WEATHER AT UKRAINIAN DAY 2008

Nearly 4000 visitors took in the sights and sounds of all things Ukrainian at the Annual Ukrainian Day Festival, held on August 12 at the Ukrainian Cultural Heritage Village.

The highlight of the day was the afternoon concert, which featured performances from the Ukrainian Shumka Dancers, Kalabai Ukrainian Fusion, Euphoria Musical Ensemble, Patrick Noyen, Kharyria Bilash, and a very talented trio of young dancers.

Prior to the concert program, a memorial service honouring war dead was held at the Royal Canadian Legion Monument, with veterans from both the Canadian Forces and the First Division of the National Army of Ukraine participating in the service.

The day's activities also included church services at St. Vladimir Ukrainian Orthodox Church, St Nicholas Ukrainian Catholic Church and St. Nicholas Russo-Greek Orthodox Church, as well as the unveiling of new name plaques at the Centenary Pioneer Monument, a village market and musical entertainment at the courtyard, and a Ukrainian community showcase at the Red Barn.

## PETER TRYNCHY - 2008 LUCHKOVICH AWARD RECIPIENT

Michael Luchkovich, in whose honour the Ukrainian Canadian Congress' award for outstanding public service by a parliamentarian of Ukrainian origin was established, stands out in history as the first Ukrainian Member of Parliament.

Since 1986, the Ukrainian Canadian Congress – Alberta Provincial Council has honoured many individuals with the Michael Luchkovich Award for their significant contribution and dedication to the betterment of all Canadians.

This year, Peter Trynchy was the recipient of the Luchkovich Award. Mr. Trynchy's career began as a member of the Mayerthorpe Town Council and the Mayerthorpe Chamber of Commerce. Over the years, Peter has also been a member of the Mayerthorpe Masonic Lodge K-40 and the Royal Canadian Legion.

Peter is the fifth-longest serving member of the Alberta Legislative Assembly. He was first elected MLA for Whitecourt in 1971, and was re-elected six times, spending a total of 29 years and 7 months in the Alberta Legislature. Over the years, Peter served as Minister of Recreation and Parks, Minister Responsible for Occupational Health and Safety and the Workers' Compensation Board, Minister Responsible for Public Safety Services, Minister of Transportation and Utilities, and Minister Responsible for Public Safety.

In his final years as MLA for Whitecourt - Ste. Anne, Peter sat on Cabinet as a member of the Standing Policy Committee on Economic Sustainability, as a member of the Treasury Board and as Chair of the Alberta Heritage Savings Trust Fund.

## UKRAINIAN DAY 2008 A GREAT SUCCESS!

*...from pg 1*

New to the festival were Ukrainian workshop activities, presented by the Alberta Council for the Ukrainian Arts. Trypillian pot painting, embroidery, face painting, and Ukrainian flag making were hits with visitors, as was the "Community Art Project". Coordinated by local artists Iryna Karpenko and Valeriy Semenko, the project invited everyone to contribute by painting a small portion of a large piece.

Speaking for the provincial government, Minister Gene Zwozdesky noted that the theme of this year's Ukrainian Day Festival was "Unleash Your Inner Ukrainian." Zwozdesky underlined the gratitude all Albertans share for the gamble Ukrainian pioneers took, immigrating to Canada over 110 years ago.

Former Whitecourt - Ste. Anne MLA Peter Trynchy was presented with the Michael Luchkovich Award, an award that acknowledges outstanding public service by a parliamentarian of Ukrainian heritage.

In his acceptance speech, Trynchy, who was introduced by UCC – APC President Daria Luciwi, said he was humbled and flattered to find myself within a very defined group of recipients of the Michael Luchkovich Award.

Suchowersky died in Edmonton on August 18, 2008 at the age of 95 years following a brief illness. Dr. Suchowersky was born in Bukovyna, Ukraine on May 8, 1913.

He obtained a law degree in 1937, followed by a Ph.D. in political economics at the University of Chernivtsi in 1939. He had just established his law practice when World War II disrupted his career and family life. At the end of the war, he worked with the International Refugee Organization in West Germany. While there, he met his wife, Irene (nee Kalinowsky). They immigrated to Canada in 1949 to start a new life together. Dr. Suchowersky obtained his Masters Degree in Library Sciences in 1960 from the University of Washington in Seattle and returned to Edmonton to work at the University of Alberta as curator of the East European and Slavic collection until retirement in 1979. Dr. Suchowersky held academic positions in the Faculty of Library Science and the departments of East European Studies and Slavic Languages.

His passion remained with serving the Ukrainian community in the diaspora, and he accepted a number of leadership roles in such organizations as the Ukrainian Canadian Congress and the Ukrainian National Organization. He was a fundraiser for the improvement of education in Ukraine and worked closely with the Canadian Institute of Ukrainian Studies at the University of Alberta. He has received numerous awards recognizing his extensive community service from the governments of Canada and Alberta, the Ukrainian Canadian Congress, and the Union of Officers of Ukraine. In 1997, he published his memoirs entitled *Moyi Spohady*.

He was predeceased by his wife, Irene; and is survived by his children, Oksana (Chris Eagle), Alexandra (Gus) Hildebrandt, Bohdan (Karen) and grandchildren, Chris (Joanna), Erik, Marissa and Kasey.

## FLOOD DISASTER APPEAL:

Western Ukraine has been hit by storms and non-stop rain from July 23 – 25, 2008 causing the banks of rivers and tributaries to overflow and to flood villages throughout the regions of Vynnycka, Ivano-Frankivsk, Zakarpattia, Lviv, Ternopil and Chernivtsi. 22 lives have been lost already. Buildings are roofless; roads, overpasses and bridges have been washed out; crops are destroyed. Local medical resources are stretched. Residents moving to higher ground watch as their homes and livelihood lay in ruin. And still the rain comes...

The volunteers and donors to Pomich Ukraini at Ukrainian Canadian Social Services are aware of the great need for humanitarian relief in western Ukraine as a result of this disaster. Please help us to bring this appeal to the attention of those of good will in our Churches, organizations and governments.

In co-operation with the Ukrainian Canadian Congress and the Embassy of Ukraine in Canada, Ukrainian Canadian Social Services is able to bring your monetary assistance to those who have suffered and continue to suffer due to being affected by this flooding situation.

Send your cheque directly to the local branch of Ukrainian Canadian Social Services:

Thank you for your generosity at this time of great need!

Heavy rains in western Ukraine have flooded large areas, leaving at least 13 people dead and forcing the evacuation of nearly 8,000 people. In the Ivano-Frankivsk region alone, some 21,000 homes are flooded (below) c/o Radio Free Europe Radio Liberty*

## НАША МОЛОДЬ ЦЬОГО ЛІТА - OUR YOUTH THIS SUMMER

### МУНО

В лютому 2008 року в Едмонтоні створено відділ Молоді УНО головою якою є Володя Гриців. Створення організації являється результатом активної багаторічної спільної праці молоді над чисельними проектами в драматичному театрі при УНО: "Маланки", Коляда, вечорниці, Новорічні вечори, Дні Валентина, зустрічі, спільні подорожі, ітд.

On May 24, 2008. МУНО succesfully held our first event – a talent show. Ukrainian youth in Edmonton had a chance to show off their talents and to meet other people. Together we organize many fun events, here in the city, in the mountains, at the lake. Попереду нас чекає багато цікавого, нас єднає наша дружба, наше минуле, радісні моменти праці і успіхів і є спільні плани на майбутнє. ### Сузір'я - Suziria

The independent drama theatre "Suziria", which this year has 30 young members aged 15-30, successfully finished it's drama season with a celebration of Ivana Kupala on June 29, 2008. Working together with the musical quintet "Re Minor" and the band "Zorepad", "Suziria" successfully celebrated Kupala at Little Manitou Lake in Saskatchewan.

До свята підготувалуся добре: підібрали музику ; продумали і вивчили хороводи, ворожіння, танці навколо вогню, циганські танці, діалоги з "Ночі під Івана Купала" Старицького, "У неділю рано зілля копала" Ольги Кобилянської та "Лісові пісні" Лесі Українки; власноручно зробили ляльки Марени і Купала, Купальське деревце прикрашене стрічками і квітками, по два вінки з зеленого зілля - кожій дівчині, різнобарвні квіти; знявдя домашнього вжитку - для сцен українського села; традиційний купальський одяг є стрічки, довгі білі сорочки чи мережані купальські костюми. Свято відбулося 29 червня. If you would like more information on this event or other events put on by "Suziria", please visit our website [www.SUZIRIA.ca](http://www.SUZIRIA.ca). By selecting <Вистави/Productions>, you can get more information about our Kupala event and look at more photos.

Ми закінчили святкування забавою на пляжі під відкритим небом - під музику Вокально-Інструментального Ансамблю "Зорепад". Свято вдалося і пройшло дуже гарно.

### Пласт - Plast

This year, Plast Edmonton hosted it's annual summer camp for teenagers aged 12-17 in Marmot Meadows Campground, Jasper National Park. Plastuny from across Canada attended the camp from such cities as St. Catherine's, Winnipeg, Calgary, and of course, Edmonton. The camp's title was called "Я піду в далекі гори" which translated means, "I will travel to far mountains". We took the title of our camp very literally and learned many new things. These included Survival, First Aid, "Leave No Trace" Camping, and Hiking Skills, as well as how to deal with elk in our campground. We put these skills to good use as we explored many trails, including Fryatt Valley, Skyline Trail, and Tonquin Valley. These trails went buy very fast, and many photogenic moments were captured. It was a great experience for all, and everyone is already looking forward tcamp next summer.

This year, Plast-Edmonton held a summer camp for новацтво (ages 6-11) at Camp Bar-V-Nok on Pigeon Lake, Alberta, The name of the tabir was "Козацький Вишкіл" (Kozaks in Training), and the slogan was "Не бійся жити" (Live life to the fullest). The plastuny were training to become kozaky as they were asked by kozaky to help rid the area of tatary that were pestering campers around Pigeon Lake. They not only increased their skill in athletics, but also in singing, playing the bandura, reading, working as a team, learning about important eras in Ukraine's history, and astronomy. The tatary pestered the campers many times, once stealing their lunch, another time even attacking the camp itself. However, the plastuny persevered, passed the test to become kozaky and chased the tatary out of the area for good. ## Ukrainians in Alberta Celebrate Independence of Ukraine

(UkrNews) Ukrainian Canadians were urged to cherish the dichotomy that is the essence of being Ukrainian Canadian, said the guest speaker at the Independence Day Concert, sponsored by UCC-Edmonton Branch, Aug. 24.

"Keep in your hearts and soul the heritage that is Ukrainian," said Senator Raynell Andreychuk (pictured right with Luba Boyko-Bell) in addressing the event held at the Ukrainian Youth Unity Complex.

Many in the Ukrainian community thought that the independence of Ukraine was the critical achievement, but once it came, the need arose to maintain it, said Sen. Andreychuk. She says the community deserves credit for keeping pressure upon the government so legislation recognizing the Holodomor as genocide was passed quickly and coincided with Ukrainian President Viktor Yushchenko's visit to Canada.

UCC Edmonton President Luba Feduschak delivered the opening remarks, while Lidia Wasylyn served as Masters of Ceremonies.

The artistic portion of the concert consisted of performances by the Dnipro Choir (conductor; Maria Dytyniak, accompanist Irena Tarnawsky, soloist Susan Romaniuk), the Cheremosh Ukrainian Dance Company (artistic director Mykola Kanavets), pianist Solomia Tsisar, and the male vocal formation Re Minor, consisting of Mykola Bilash, Orest Groch, Markian, Oles and Stephan Lazurko.
