## UKRAINIAN DAY 2009 A GREAT SUCCESS!

3400 visitors took in the sights and sounds of all things Ukrainian at the Annual Ukrainian Day Festival, held on August 11 at the Ukrainian Cultural Heritage Village.

One of the many highlights of the day was the afternoon concert, which featured exhilarating performances from the Grande Prairie Troyanda Dancers, Zorepad Band, Charlie Sakuma- Bandurist, Stephania Romaniuk- singer from Calgary, and Maryka Chabluk- singer from Winnipeg.

Prior to the concert program, a memorial service honouring war dead was held at the Royal Canadian Legion Monument, with veterans from both the Canadian Forces and the First Division of the National Army of Ukraine participating in the service.

The day's activities also included church services at St. Vladimir Ukrainian Orthodox Church, St. Nicholas Ukrainian Catholic Church and St. Nicholas Russo-Greek Orthodox Church, as well as the unveiling of new name plaques at the Centenary Pioneer Monument, a village market and musical entertainment at the courtyard, and a Ukrainian community showcase at the Red Barn.

The Alberta Council for the Ukrainian Arts once again featured a number of exciting Ukrainian workshop activities. Visitors had an opportunity to try their hand at making great souvenirs including tryzub bandanas, vinok headpieces, watercolor with Barvy studio, pose for a caricaturist, wear a temporary tattoo and much more! Once again ACUA volunteers presented a varied series of activities for young and old alike.

Representing the provincial government, Minister Gene Zwozdesky noted the many areas in which our government promotes Ukrainian culture and language. On Sunday, August 23, 2009, the Ukrainian community gathered at the Ukrainian Youth Unity Centre, Edmonton, to commemorate and to celebrate the 18th anniversary of Ukraine's Independence; an anniversary that was accomplished peacefully and without bloodshed. The event was sponsored by UCC Edmonton, the program was opened by Luba Feduschak, President and Lilia Sukhy served as the Master of Ceremonies. The guest speaker at this year's event was Ihor Kyzym, Counsellor, Chargé d'Affaires to Canada, at the Embassy of Ukraine in Canada. He expressed confidence in Ukraine's future but also, he thanked Canada's Ukrainian community for the role played in the commemoration of the 1932-1933 famine in Ukraine and commended our community for erecting the very first monument dedicated to the victims of that tragedy.

Included in the afternoon program was the Cheremosh Ukrainian Dance Company, under the direction of Artistic director Mykola Kanevets. Their 3 numbers were Karichka, Dolls and Festival Hopak.

The Verkhovyna Choir, conducted by Halyna Lazurko and fresh from their tour of Ukraine, Poland and Bosnia gave the audience a sample of songs from their recent tour - Prayer to the Virgin Mary, Broken Promise and Creeping Periwinkle.

Re Minor entertained us with Follow the Sun, the Distant Hills and Moonlit Night. This male vocal group consists of Markian Lazurko, Orest Groch, Stephan Lazurko, Adrian Warchola and Oles Lazurko.

## Haydamaky Perform in Edmonton!

On September 22, Ukrainian rock group Haydamaky from Kyiv invigorated an excited crowd of 400 people at the Ukrainian Youth Unity Complex in Edmonton. With only five days to plan the event, the days leading up to the concert were filled with a flurry of communication and cooperation from many reaches of Edmonton's Ukrainian Community. The hard work and dedication exhibited by all of the volunteers made this event not only possible- but a huge success!

Following an exuberant opening act by Edmonton's Kubasonics, the seven-member Haydamaky band treated the audience to an array of songs ranging in genre from popular hits "Bohuslav" and "Malanka", to Ukrainian folk-songs "Vysyt' Yabko" and "Oj Zelene Zhyto Zelene" performed with a rock twist. Leader singer Oleksandr Yarmola's energetic dancing and sensational antics constantly reignited the crowd's enthusiasm throughout the night. The show culminated to an exciting finale which finished with two encore performances.

The UCC-APC sincerely thanks the many organizations and individuals who donated their time and effort into helping make this an unforgettable event!

Український рок гурт "Гайдамаки" зачарував 400 глядачів в Домі української молоді в Едмонтоні 22 вересня. Завдяки зусиллям багатьох осіб в нашій українській громаді, концерт був запланований тільки за п'ять днів!

Після енергійного виступу едмонтонського гурту "Кубасонікс", Гайдамаки заспівали деякі зі своїх найвідоміших пісень - "Маланка" і "Богуслав", а також народні пісні "Висить ябко, висить", "Ой зелене жито, зелене" у стилі рок.

Головний співак Олександр Ярмола постійно заряджав присутніх своїми енергійними танцями.

Провінційна Рада Альберти Конгресу Українців Канади щиро дякує усім організаціям і особам які допомогли організувати цей чудовий концерт!

# OUR YOUTH THIS SUMMER

## CYM SUMMER CAMP 2009

Under beautiful skies, without any tornado warnings this year the Ukrainian Youth Association (CYM) Calgary and Edmonton branches had their annual summer camp at St. Basil's Villa on Pigeon Lake from July 19th to July 31st. Attendance this year was extremely rewarding with over 70 children attending ranging from ages 3-17. Camp Program Coordinator Marusia Shysh from Calgary organized a very informative program with a diverse range of activities keeping the the children constantly motivated. With the help of newly involved young counselors the youth was kept busy from early morning fitness, and apels, into the late evening with the singing of "Night Fall is Coming/Nich Vze Ide."

The Senior Youth participated in a three day, 18 hour, first aide and CPR training. Fencing presented by the Edmonton Fencing Club, and Tai Kwon Do, instructed by Eddie and Stas Pavlenko added to the excitement of those attending. The theme of camp this year's was: "Our unforgotten ancestors" which included discussions on such well known historical events and individuals as Brody, Ivan Mazeppa, Stepan Bandera, and composers Volodymyr Ivasiuk, and Ihor Bilozir, mentioning only few. Leadership qualities, health and wellness issues were also included in the daily activities. Special thanks go out to our guest speakers Irka Szmiheleska, Ksenia Fedyna, and Roman Brytan, who came out to camp to present on cultural and historical topics.

As usual the childrens and youth favourites were enjoying daily sporting activities, soccer, volleyball, terenovij ihru, treasure hunts, terenoznastvo, pvoryad, swimming, boating and even a little fishing. Arts and crafts, learning new songs and repeating favorite camp songs with youth who brought their guitars out added to the musical sounds which permeated through the camp including a trumpet to wake up to in the morning. Kozak Olympics took place on Friday July 24th and many humourous skits and songs were performed by all at the Vatra on Saturday July 25th. What more brilliant conclusion could be celebrated than a display of fireworks and dance which continued into the night.

As Komendant I especially found it so rewarding to work with such dedicated, junior and senior counselors, and parents who assisted us continually with the daily running of the camp. Thank you to both Calgary and Edmonton branches for all the preparations for this camp. The children, youth and young vporyadnyky/counselors were especially awesome to work with during this camp, and their excitement and passion for their culture and spirituality was demonstrated in a truly Christian family manner. Many new friendships developed and countless tears were shed when it was time to go home. Everyone is counting the days until we will meet again at our special two week camp.

# НАША МОЛОДЬ ЦЬОГО ЛІТА

## Мій Пластовий Табір

Цього літа у серпні, 2009 року, я мав нагоду поїхати на мій перший юнацький табір! Якраз цього року, відбулася Крайова Пластова Зустріч (КПЗ), де 250 пластунів з усіх станиць Канади приїхали до Едмонтона. Тут пластуни розїжджали на чотири табори- два табори відбувалися у "Jasper" і два табори у "Kootenay B.C".

Я поїхав до "Jasper". Я спав у шатрі 10 ночів та мандрував по чудових прогуляках в скелястих горах. Я бачив гірські озера, річки, рослини, та тварини. Я мав веселу нагоду зустрінутися з пластунами з усіх частин Канади. Мені найбільше сподобалося їхати до "Columbia Icefields". Також, я дуже любив купатися в гарячому джерелі "Miette Hotsprings".

Після табору усі пластуни спали дві ночі у "Lister Hall" при університеті Альберти. Усі вони поїхали один день до Українського Села Спадщини де відбувся молебень і цікаві

заняття для юнацтва. Лишилися мені дуже приємні спомини з мого пластування. Я мав дуже цікаві та веселі пригоди на моєму першому юнацькому таборі! Я це літо ніколи не забуду...

Пл. Прих. Адам Вархола

## СΥΜΚ-УОУ

Я знаю що літо швидко перейшло для усіх! А ми СΥΜΚівці були дуже зайняті цього літа! Ми мали нагоду поїхати до Реджайни на 56-гй дво-річний зїїзд Союз Українців Самостійників. Там ми зустрічались із СΥΜΚівцями з цілого Канаду.

What is CYMK – Ukrainian Orthodox Youth? Well, first and foremost it is the youth group that is strongly connected with the Ukrainian Orthodox Church in Canada. Simply put, CYMK's guiding principles are faith, culture, leadership... and FUN!

At the convention this summer, Alberta CYMKivtsi were the largest contingent, sending many delegates to the biannual conference. Every 2 years trophies are awarded to recognize the Jr. and Sr. CYMK locals that have shown the most initiative and been most active over the 2 year period. This conference proved to be an Alberta sweep, with the Baziuk Trophy for Jr. CYMK being awarded to the Taras Shevchenko local in Vegreville, while the Perepeliuk Trophy for Sr. CYMK was awarded to the Ivan Bohun branch of Calgary.

The CYMK National Executive also made a return to the west and will now be based in Edmonton for the next 2 years. We are so proud of our CYMKivtsi for being active members of our communities and for developing into such strong leaders. Keep your eyes open for more CYMK action as our new church year begins!

Yours in CYMK,  
Katrina Baziuk  
National President (newly elected)  
CYMK-U.O.Y.

## UNYF- MYHO

The summer of 2009 has been a busy one for UNYF Edmonton starting with our second annual trip to Manitou Beach, where we performed as part of the Ukrainian youth drama ensemble Suziria. From there we headed for Toronto and met up with UNYF youth from all over Canada to celebrate the 75th Anniversary National Convention of UNYF Canada. After touring Toronto downtown (including the infamous CN Tower!), all 17 of us drove to St. Catherine's, where we were warmly received after our performance of Mavka (an adaptation of Lesia Ukrainka's Lisova Pisnya). From there we came to Hamilton's UNF Hall where Suziria also put on a show for the spectators. Next we made the drive to Niagara Falls and after taking pictures of the waterfall from almost every angle, we drove on to the site of the convention- Camp Sokil. The days were filled with various meetings where we had the opportunity to meet past UNYF members, including Taras Pidzamecky, without whom the trip would not have been possible. The weekend came to a

conclusion with a great concert on Saturday, where Suziria captured the audience with our rendition of old Ivana Kupala traditions. After three nights at the camp we left mosquito-bitten and bleary-eyed, but also with an experience to remember for a lifetime, especially the beautiful new friendships and the renewed excitement that arose synonymous with UNYF. We left already looking forward to the next time we would get a chance like this to connect with our new friends from all over Canada! Coming back to Edmonton, we regrouped again in August to represent UNYF at Edmonton's Heritage Days, where we displayed our T-shirts, posters and pamphlets about our organization, and danced onstage with Suziria. We'd really like to thank Natalka Grytsiv for being so involved in the organization of all these travels, and ensuring our success as a drama group

with her constant guidance and artistic vision. We'd also like to thank UWO and UNF for their overwhelming generosity and support.
